What is the Reception Programme for newcomers?

It is a service designed to guide and support newcomers throughout their integration process.

It offers:

- Information
- Guidance
- Support

It is free and confidential.

The programme aims to:

- Facilitate social, labor market and community inclusion.
- Promote equal opportunities and non-discrimination.
- Prevent situations of vulnerability or isolation.
- Provide tools to enhance autonomy in the country.
- Foster community networks and social connections.
